

Le Château de Moiré

Rue Pierre Poitrasson, Le Bourg, 69620 Moiré, France

Welcome to our beautiful 6 bedroom home in the heart of the Beaujolais. Moiré is a quiet village in the Pierre Dorée area, noted for its warm honey coloured limestone. There are wide reaching views over the surrounding vineyards to Mont Blanc in the East and Les Monts du Tarare in the West. Lyon with all its attractions is 35km South-East and Villefranche-sur-Saône (access A6) with its fabulous covered food market is 14 km North.

The neighbouring villages include Bagnols with its world renowned château hotel and Oingt, a medieval hill-top village recently classified as one of France's most beautiful villages. The local market town, Le Bois d'Oingt (3 km) has shops, doctor, vet, bank, post office and a market every Tuesday morning. There are numerous restaurants nearby, our favourites are Le Vieux Moulin (Alix) for quality traditional cuisine; L'Auberge du Château (Bully) for great modern cuisine and L'Auberge Chatoux Fleuri, genuine rustic cuisine on the Col du Chatoux.

Guests at Le Château can use the 11m heated pool (in season), the table-tennis room, the billiards room and enjoy fast internet, cable and DVD on the flat screen TV. Road and off-road cycling, walking, galleries, music festivals, golf and skiing (Chalmazel 2 h) are there to be enjoyed. Wine tasting is available in the 16th century cellar opposite the chateau, or at any of the 6 other wine-makers in the village, locally in the area and at world famous vineyards further up the road in Burgundy.
